## Approved Products

### Notes

1. **It is always preferable to buy items with Pesach certification.** The following list is intended for when the equivalent certified products are unavailable or unaffordable.
2. For all approved generic products there must be **no added ingredients**.
3. Care should be taken to ensure that a **new** container/ packet is used for Pesach that has not been used with *chametz*.

### Generic Products

Bicarbonate of Soda (without cornflour)

Butter (plain or salted)

Cocoa Powder (not drinking chocolate)

Coffee (beans or instant – not decaf.)

Eggs

Extra Virgin Coconut Oil

Extra Virgin Olive Oil

Fresh Fruit and Vegetables (whole)

Frozen Fish (whole or filleted)

Frozen Fruit (without citric or ascorbic acids)

Frozen Vegetables (without citric or ascorbic acids)

See below for supermarket frozen vegetables approved by the SKA.

Fruit Juice (pure – without antioxidants)

Honey

Milk

Nuts (ground or whole – not roasted)

Potato Starch

Raisins

Salt

Spices: Garlic, Onion, Ginger, Cinnamon (pure - powder or granules)

Sugar

Sunflower Oil

Tea (black, white, green – not decaf.)

Tinned Salmon, Sardines, Tuna (in water, oil or brine)

Tomato Puree (pure - without citric acid)

Toothpaste/ Mouthwash

Yoghurt (plain)

### Baby Milks

Several brands of baby milk/ baby formula are approved for Pesach. A full list is available from the office upon request.

### Medications

- All medications in the form of tablets and capsules are permitted on Pesach.
- Liquid medications and chewable medications may contain ingredients derived from wheat. More details and a list of approved liquid and chewable medications are available from the office upon request.
